

## TRADE SHOWS

"A solid system to attracting leads." - The Wall Street Journal

Bob Garner can help you increase traffic, gain quality leads, and enhance your ROI at your next show.

If you are in charge of trade shows and your company expects to see:

- A higher ROI from your budget
- An increased amount of quality leads
- More attendees hearing the sales message
- Excitement, energy, and attention drawn to your exhibit

Then you need Bob Garner!

Here's the secret...

Bob Garner uses his skills as a mentalist and highly skilled communicator, along with clean humor and audience participation, to stop crowds of potential customers, grab their attention, and draw them into your exhibit.

His presentations are cleverly scripted so that each amazing effect illustrates and delivers key marketing and sales points that you want attendees to hear and remember. Bob's friendly, yet informative style of delivery, combined with his unique qualifying process literally drives quality leads directly into your exhibit.

What Bob offers is a cost-effective, results-oriented solution that works in any size exhibit. You don't need an unlimited budget or excessive floor space to utilize this service.
